Presentations:

Carol Maksian led a discussion on library instruction evaluation tools at Florida's SUL's. Prior to the meeting Carol requested everyone to complete a survey about evaluation tools. Carol then incorporated the results into the power point (Library Instruction Evaluation Tools Used in the Florida State University Library System) which outlined the presentation. Carol also requested any tools the members would be willing to share with the group. After the presentation the membership viewed the wiki (<http://infolitflorida.pbwiki.com>). The membership was invited to make edits and upload pages in order to develop a more detailed wiki. All the evaluation tools received have been uploaded. Florida SUL's will all benefit from Carol's hard work and the creation of this wiki.

Discussion of Change of Leadership:

Nancy Allen will replace Jacque Druash as Chair of this committee beginning with the next meeting in January.

Discussion of Next Meeting:

The next meeting will be January 12 at 10 am.

Adjournment:

The meeting was adjourned at 1:33 p.m.
